FUNDRAISING SERVICES

In order to prosper and grow, every organization needs funding. When starting or operating an organization, it is essential to obtain funding that will ensure that the organization can continue to support its purpose.

Fundraising is the process of seeking out and collecting contributions. An investor attempts to invest capital in a way that will result in a business.

WE HELP BUSINESSES THRIVE AND GROW

We pair quantitative and qualitative methodologies to guide fundraising forward.

Assisting clients in raising capital for growth strategies is one of our specialties.

We bring decades of fundraising expertise and experience from the front lines of business transformation and capital raising.

With the use of tried-and-true development strategies and innovative approaches, we help in elevating causes and strengthening programs for long-term success.

CONNECTING OUR CLIENTS TO EQUITY AND DEBT FINANCING OPPORTUNITIES TO MAXIMISE THEIR GROWTH POTENTIAL

We are well connected to provide to provide range of services across institutional, angel and private investors through our expansive network, covering both debt and equity sectors.

We work with clients to establish meetings, pitch opportunities and close deals.

As part of our capital raising efforts, we prepare externally facing documentation, including a compelling pitch deck incorporating the most important points, which will be presented to prospective investors and funders, including investment meetings.

CAPITAL RAISING & ADVISORY

For small and medium enterprises in the Asia-Pacific region, we provide access to our deep expertise and proven networks. We have assisted our clients in obtaining equity, debt, and select grant funds.

We work with companies and agencies in a range of disciplines, from property, infrastructure, resource development, logistics, aviation, agribusiness, hospitality, professional services, industry associations, tourism, defence, and start-ups.

We specialize in facilitating investments in companies by working closely with private equity and venture capital companies. With a strong background in funds, we also advise on the best structures for setting up onshore and offshore companies.

OUR SERVICES IN RELATION TO FUND CREATION

- Compliance advice for incorporation and operations, including statutory and regulatory reporting to relevant authorities.
- Assistance with structuring and participation in negotiations with investors and other third parties.

DIFFERENT FUNDING SOURCES FOR STARTUPS
